

*See what love the Father has given us, that we should be called children of God, and that is what we are.*

## Share Your Love for Jesus: The Ultimate Relationship

We are all called to discipleship, and each of us is uniquely prepared to help others encounter God.

How do we begin the conversation?

## *Begin with Prayer:*

Pray for humility, courage, and discernment. Who is God calling you to walk with? Pray and waste time with Jesus as you prepare.

## *Prepare:*

What is your Glory Story? Invite the Holy Spirit to guide you and inspire you to prepare your story. Practice your testimony and be ready to give a reason for your hope. Be ready to share, but first, open your ears and heart, and just listen.

## *Listen:*

Smile. Call the person by name. Be kind. Ask questions and find common ground. Encourage and affirm. Show how much you care. When the time is right, ask "Can I tell you my story?"

## *Share:*

Speak simply, from your heart. Invite the Holy Spirit into your conversation. Share the reason for your hope - share your encounter with God, your transformation. How has your life changed as a result of God's grace? Share the details of the Ultimate Relationship you are forming with God.
