Parish Activities, Events & Volunteer Opportunities 2016-2017

Each person has been blessed with certain unique talents, skills, knowledge and abilities. Whatever your gifts and talents, whatever time you have available, each parishioner is urged to make a gift of time and talent to one or more of the numerous ministries, services or organizations here at St. John Neumann. Prayerfully consider how you can use your God-given time and talents to get involved. We would appreciate each family member completing a separate form by putting an X in the box next to all ministries in which you are interested. Forms may be copied and are found on our parish website. Thank you for taking the time to complete this form.
